Differences in Coordinate Graphs Practice Sheet 1 ANSWER KEY

1. Step 1: We start from (2, 3).

Now we move left 3 and down 2. Because it is at (-1 , 1).

Step 2: So, there are 5 blocks (3 from the left and 2 down)

Answer: 5 blocks

2. Step 1: We start from (-2, 2).

Now we move right 4 and down 4. Because it is at (2 , -2).

Step 2: So, there are 8 blocks (4 from the right and 4 down)

Answer: 8 blocks

3. Step 1: We start from (3, 2).

Now we move left 2 and down 4. Because it is at (1 , -2).

Step 2: So, there are 6 blocks (2 from the left and 4 down)

Answer: 6 blocks
